

**THERMOWOOD® TIMBER**

- ★ 30 year lifespan (equivalent to cedar)
- ★ Improved paint finish
- ★ Will not shrink
- ★ Will not expand
- ★ Greater stability (less splits over time)
- ★ Heated to over 200°C
- ★ All resins removed
- ★ Increased weather protection

Windows, doors and all trim items are only available in tanalised timber, however, they can be stained to match closer.

**ThermoWood® properties**
